

## **Tax Deduction for Private School Tuition:**

Parents are able to receive an Income Tax Deduction from the State of Wisconsin for private school tuition paid by the family. Up to \$10,000 per year per high school student and \$4,000 per year per grade school student can be claimed. The amount is for private school tuition paid in the 2022 calendar year. **This results in a several hundred dollar tax savings per family per student for many of our WLA families.**

The Wisconsin Department of Revenue has produced Schedule PS for families to complete and file with their 2022 Wisconsin State tax return. A link to the Wisconsin Department of Revenue website to Schedule PS can be found on the Wisconsin Department of Revenue Website here: [2022 I-094 Schedule PS, Private School Tuition \(Fillable\)](#)

The Federal Tax ID number (FEIN) of WLA to use on form PS is 39-0910385

WLA family tuition payments for the 2022-2023 school year are available to view and print on [your individual FACTS account](#). For current WLA families, log into FACTS → Payment Plan & Billing View Details → View Payment Summary. For families who made tuition payments from 1/1/22 - 6/30/22 via TADS - you will be able to log into your [TADS](#) account → Billing Tab → Reports to print out your tuition payments from 1/1/22 - 6/30/22.
